

Economic Evaluation for Oncology

TIMETABLE

Trainers: Stuart Mealing, York Health Economics Consortium
Will Green, York Health Economics Consortium
Karin Butler, York Health Economics Consortium

- 10.00** Welcome and introduction to the workshop (**Stuart**)
- 10.05** Introduction to oncology modelling (**Stuart**)
- 10.35** Selecting the most appropriate model structure (**Will**)
- 11.15** Analysis of survival curves (**Will**)
- 12.00** Lunch
- 13.00** Recap on survival analysis concepts (**Karin**)
- 13.15** Advanced data and analysis methods to be aware of when working with oncology models (**Karin**)
- 14.00** Coffee break
- 14.10** Inputs and assumptions commonly made within oncology models (**Karin**)
- 15.00** Close (**Stuart**)
