

Economic Evaluation for Oncology

TIMETABLE

- 10.00** Welcome and introduction to the workshop
- 10.05** Introduction to oncology modelling
- 10.35** Selecting the most appropriate model structure
- 11.15** Analysis of survival curves
- 12.00** Lunch
- 13.00** Recap on survival analysis concepts
- 13.15** Advanced data and analysis methods to be aware of when working with oncology models
- 14.00** Coffee break
- 14.10** Inputs and assumptions commonly made within oncology models
- 15.00** Close
