

## Understanding and Critiquing Health Economic Models

### PROVISIONAL AGENDA

**Trainers:** Will Green, York Health Economics Consortium  
Michelle Jenks, York Health Economics Consortium

- 09:30 Welcome and Introduction to the day
- 09:45 An Overview of Health Economic Models (beyond Markov and AUC models)
- 10:20 Reviewing Economic Models
- 10:35 Internal and External Validation of Models and Checklists
- 11:30 Coffee
- 11:45 Practical Exercise: Internal Validation of a Model
- 12:45 Lunch
- 13:30 Common Errors in Modelling
- 14:00 Critiquing Survival Models
- 14:30 Coffee
- 14:45 Practical Exercise: Survival Modelling
- 15:30 Interpreting Stochastic Model Outputs
- 16:15 Discussion
- 16:30 Close
